Touched by Olivia's Mission

Touched By Olivia was founded in 2006 in memory of Olivia Perkins. We believe that all children can lead healthier and happier lives, and it is our mission to advocate for an inclusive society, connected by play through our Livvi's Place National Network of inclusive playspaces.

Job Information

Touched by Olivia is seeking a Campaign Manager to run the All Kids Can Play campaign. All Kids Can Play is designed to encourage and support children with disabilities to join mainstream sports teams through education, advocacy and programming. The Campaign Manager will be responsible for engaging with clubs in the Greater Sydney region to build capacity and inclusive practices. Additional responsibility will be to promote All Kids Can Play to the community via marketing channels. In addition, the Campaign Manager will be responsible for representation in collective partnerships and established relationships with state and national organisation who are working towards the goal of inclusion through sport. This is a 12 month campaign initially.
